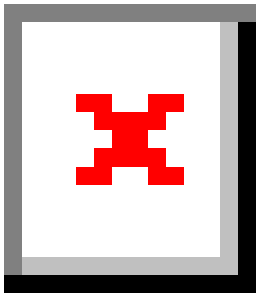
Цель лабораторной работы

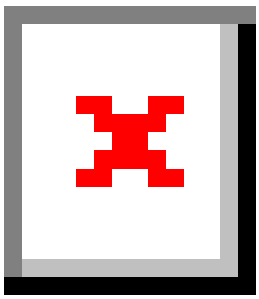
Основной целью работы освоить синтаксис языка Julia для построения графиков.

Выполнение лабораторной работы. Основные пакеты для работы с графиками в Julia



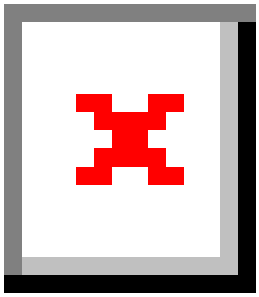
{ #fig:001 width=90% height=75% }

1. Основные пакеты для работы с графиками в Julia



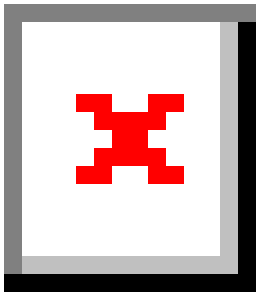
{ #fig:002 width=90% height=75% }

2. Опции при построении графика



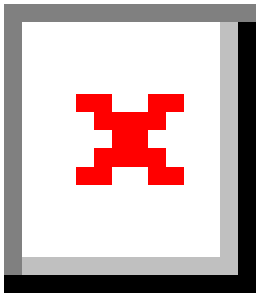
{ #fig:003 width=90% height=75% }

2. Опции при построении графика



{ #fig:004 width=90% height=75% }

2. Опции при построении графика



{ #fig:005 width=90% height=75% }

2. Опции при построении графика
